

Rose Hydrosol

SIMPLE, POWERFUL,
ESSENTIAL SKINCARE

WHAT IT IS:

Rose hydrosol is pure rose water created during the steam distillation of rose petals.

It's packed with skin-loving plant compounds - nothing synthetic, nothing harsh.

WHY YOUR SKIN LOVES IT:

- Deeply hydrates without heaviness
- Helps balance skin's natural pH
- Supports a healthy skin barrier
- Leaves your skin soft, calm, & refreshed
